## Gut Bomb Bingo Bonuses

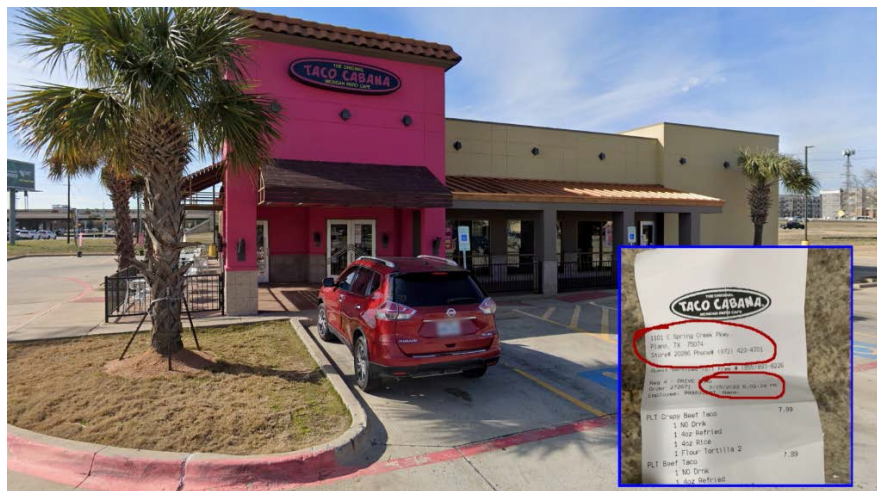

In the spirit of refueling your body with fast, local food we are offering points for visiting chains with a regional spirit. You may be familiar with some of these. Others may be new to you.

Each square in the bingo card may be claimed once at any point during the rally but must be included on the claimed bonus form for the leg on which you visit the location. Once claimed, that square will be recorded for you for the remainder of the rally and apply for any future row, column, or black-out bonus progression.

Each square is associated with a regional chain restaurant with multiple locations within specific US states and/or Canadian provinces. The restaurant locations are only available in the allowed states/provinces as noted in the listing for each square. Square B4, "Biscuitville", is only available in North Carolina and Virginia. Square I2, "Schoop's", is only available in Illinois and Indiana. You may encounter a restaurant with the same name in states/provinces other than those in the listings. Locations outside the listed states/provinces are not valid.

To claim each bonus, you must get a food receipt from the location you visit AND take a photo of the same location. In addition, all but one of these bonuses require that your motorcycle is in the photo. If the location you visit is inside a mall, you must get a photo of that location with your flag AND a photo of your motorcycle outside the mall.

Your photo must clearly show the location and restaurant signage, like this:

*A Taco Cabana Restaurant in Texas with matching receipt*

Obviously, you must visit during the open hours for the locations you choose. These hours will vary from location to location, so do your research. It is also possible that a specific location is closed, either temporarily or permanently for some reason, leading to the inability to get a receipt. In such a case, you will need to find a different location. Again, do your research. Let us remind you that having someone else call ahead or research on the internet to check open hours for a specific location is considered outside assistance and therefore prohibited as per Iron Butt Rally rules.

Yes, you can of course use the drive-through lane if your chosen location has one.

We understand that not all locations may give a receipt that shows city and state. Examples, Cook-Out and White Castle receipts may only show date and time. In-n-Out receipts may only have the city. Schoop's may only have the street address. In such cases, you may write in the missing city and state information on the receipt.

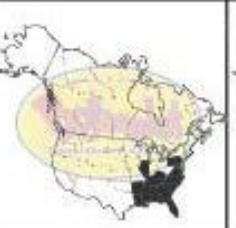

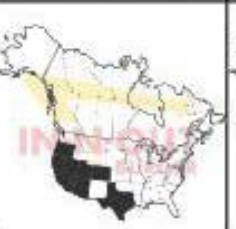

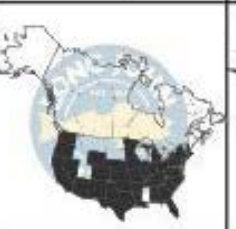

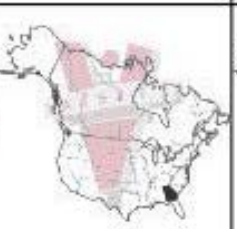

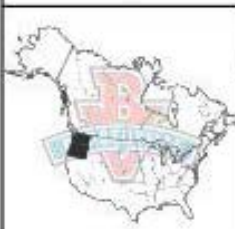

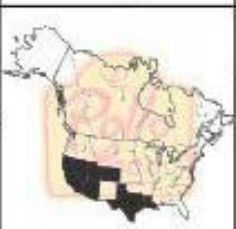

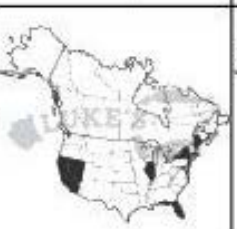

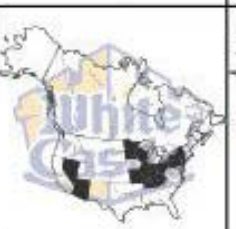

Each square on your Gut Bomb Bingo card has an individual bonus point value as listed in the following pages.

In addition, you can earn points for each row or column successfully filled in as well as the bonus for successful "black out" of the card. The row, column, and black out bonus codes and values are provided in the listing and **MUST BE CLAIMED** on your claimed bonus form when complete.

2023 Iron Butt Rally

As a quick reference, this illustration shows the states and provinces where bonuses for the various restaurants are available. *Be sure to check the bonus listings for detailed requirements.*
